

BC's Beautiful Harbour City...A Boating Tradition

Great traditions develop for a reason. Nanaimo is a favourite destination for boaters exploring BC's Coastline. From spring through fall, Nanaimo's hospitality continues to deliver a warm genuine welcome, steeped in tradition for hundreds of years when the Coast Salish First Nations travelled from the Mainland to enjoy Island Time with friends. If you haven't experienced the "on shore" or "on the hook" quality service that Nanaimo is known for, in a beautiful setting, give us a try...you might discover your new boating tradition.....*Nanaimo, The Harbour City.*
